

Billy McLaughlin
"What They Are Saying..."

"...you may swear Billy McLaughlin is two of the greatest acoustic guitarists you've ever heard."

Pittsburgh Post Gazette

"... it's amazing that such an extensive sound comes from one instrument."

Chicago Sun Times

"Anyone who has witnessed a Billy McLaughlin concert can attest to how mind-bending this type of performing can be."

Jim Dombrowski
Michigan Fingerstyle Guitar Society

"McLaughlin is well known in hard-core guitar circles as a mystical guitar guru."

Brookings Register

"When audience members close their eyes during a Billy McLaughlin performance, they don't believe what they're hearing is a single acoustic guitar. When they open their eyes, they don't believe how he does it."
